CUPOLINI

Screens

In Malossi abbiamo realizzato una linea aggressiva di spoiler aerodinamici e protettivi perfettamente intercambiabili agli originali, in PMMA acrilico di qualità eccellente in colore fumé scuro o chiaro, con logo Malossi di 8 cm serigrafato bianco.

Ogni cupolino Malossi è progettato attraverso i più moderni strumenti di design, per garantire la visibilità del pilota in assetto di gara.

E a proposito di visibilità: mantieni il tuo cupolino pulito e brillante con il nostro panno in microfibra, delicato ma impietoso contro lo sporco, e N° 1, il detergente antistatico Malossi che fa brillare qualsiasi superficie.

SCREENS

We have created an aggressive line of aerodynamic and protective spoilers, perfectly interchangeable with the original ones. Made from high-quality dark or light smoked PMMA acrylic, in dark or light-smoked shades, each one features an 8 cm Malossi logo in white silk-screen printing.

Each Malossi windscreen is designed using the most modern tools to ensure the rider's visibility in racing position.

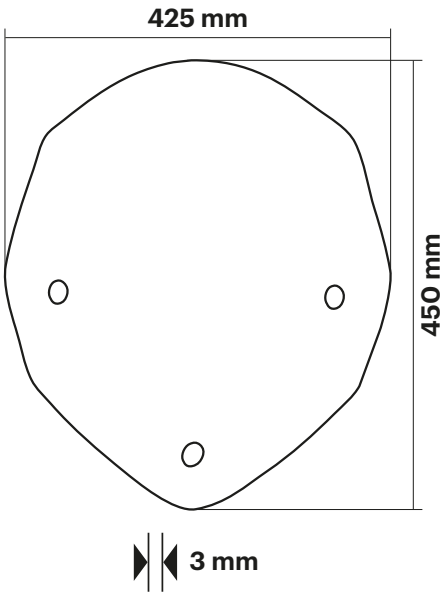

About visibility: keep your windscreen clean and shiny with our microfiber cloth – gentle on surfaces but tough with dirt – and N° 1, the antistatic Malossi cleaner that repels dust.

Kit of Urban Jungle stickers

3319284

Kit composto da 4 cartelle dimensioni 50 x 23 cm.

"Welcome to the jungle, it gets worse here every day".

In effetti, i Guns&Roses già negli anni 80 ci avevano visto giusto. Ma anche quando tutto ci sembra che stia andando a rotoli, almeno abbiamo il nostro fido destriero sue due ruote. Lui non tradisce. Lui è fido, ma può essere anche molto figo. Siete come noi: avete sempre paura di passare inosservati. Pensando a voi abbiamo pensato a gadget più wild per il vostro mezzo, una volta che avrete modificato tutto il modificabile. Un set di adesivi di altissima qualità per riservargli trattamenti degni del miglior tatuatore.

Kit composed of 4 sheets size 50 x 23 cm.

"Welcome to the jungle, it gets worse here every day".

Indeed, Guns&Roses were already right in the 80s. But even when everything seems to be falling apart, at least we have our trusty steed on two wheels. He does not betray. He is trusty, but he can also be very cool. You are like us: always afraid to go unnoticed. With you in mind, we have thought of wilder gadgets for your vehicle, once you have modified everything that can be modified. A set of top-quality stickers to give it a treatment worthy of the best tattoo artist.
